

Woodford Reserve Distiller's Select Rye

45.2%

Distilled from a relatively low-rye mash of 53% rye, 33% corn, 14% malt; true to Woodford Reserve form, a mingling of whiskeys distilled at Woodford and at Brown-Forman in Louisville. Nose of leather, cinnamon, rye snappiness, and hints of red raspberry. Hot and lean on the palate, spicy/sweet until rye's bitter layering floats in, making for a dry finish as the oak comes on stronger. Balances drinkable and elegant quite nicely, and it's real Woodford.
