

Bomberger's (batch 2) 

43%

A blend: 89% 2 year 6 month old MGP bourbon, 11% 3 year old McKenzie rye. Other batches are different whiskeys. Sweet nose: some cinnamon and allspice, dried hay and "clear toy" candies. Hot on the tongue, with the spicy, peppery intensity of youth (and rye), and roars right on through to the end, where oak appears to add gravity to the finish. This would rock in a cocktail.
