

**Forty Creek Double
Barrel Reserve (Lot
252)
40%**

Finished in wet, freshly dumped
bourbon barrels, Double Barrel
shows strong bourbonesque
vanilla and a slippery, almost
syrupy lushness. This latest batch
is even creamier than the early
ones made by John Hall himself.
After a deceptively simple start, a
mouth-filling toffee sweetness
broadens into ripe tropical fruits
with fleeting under-notes
reminiscent of earthy dragonfruit.
Hot, peppery flares punctuate the
soft fruitiness as it moves to the
fore and the creamy mouthfeel
subsides.
