

Canadian Club 1970s 

40%

Sometimes, when whisky is batched, a few leftover barrels are returned to the warehouse. Canadian Club recently pulled and vatted several of these from the 1970s. Acetone, Granny Smith apples, and fresh-cut white cedar showcase this long age. Complex and spicy, yet reserved, this dram is ripe with strawberries, canned pears, cloves, pepper, and faint flowers, then slightly pulling oak tannins. Distinct, elegant, and remarkably vibrant, this ancient Canadian Club is anything but tired. *(Australia only)* A\$133
