

**Redbreast Mano a
Lámh**

46%

Oh, hello there. Meaning hand in hand in two languages, this Redbreast was solely matured in Galician oak seasoned with *oloroso* for 2 years at the Páez Morilla bodega in Jerez. A slightly closed nose of eucalyptus, menthol, and apple pre-empts a rich, fruity, cherry bomb of dark sugars, strawberry laces, morello, and clove. The fabulous pot still character ends on a sliver of mint as the fruit gently dulls. (2,000 bottles exclusively for The Stillhouse, Middleton's single pot still club) €65
