A limited edition blend of malt and grain whiskeys from some of the company's oldest Irish stocks aged in a combination of bourbon, port, sherry, and Madeira woods. The nose of vanilla slice, marzipan, baklava, iced buns, and hay bales suggests that none of the cask types take overall charge. It's mild and mellow, with rolling spices, honey, melon, baked lemon, and red berry fruits. Tranquil, easygoing: a moment of Zen. €125
