

Komogatake The Revival 2011

57%

Aged in a mix of sherry and American oak casks, this is the latest work in progress from the reopened Mars distillery. The nose is a little closed, with some light oak, a touch of smoke, some fresh barley, and light fruit over the sweet core typical of the distillery. Just a touch of plastic, indicative of youth. The palate is immediate, and bursting with sweetness, exotic fruits, and clean acidity. Welcome back, Mars! £110
