

**Millstone 2004 Barrel
Proof Rye 10 year old
(cask #667)**

58.6%

Hard toffee, Brazil nut, milk chocolate, and noticeable rye bread aromas on the nose from this new American oak barrel. The rye spiciness is embedded with the other flavors; balanced, but not dominant. Soft and fudgy flavors display sparkling spices, deeper toffee notes, vanilla, and cinnamon bark. Try a dash of water to unlock the sweetness and citrus elements below the surface. If anything, this accentuates the tobacco and spiciness of the finish (*The Whisky Exchange only*) £85
