

**Spirit of Hven Sankt  
Claus**

**53.2%**

Handpicked from over 100 casks, this is a belter! Puréed prune, dunnage, black licorice, clove, coffee bean, and raisin-studded chocolate. It's like scorched earth after a wildfire. There is a syrupy, dark rum-like sweetness, a medley of cinnamon, cocoa, raisin, and vanilla essence. Water flushes out some gentle smoke and adds smoothness, but by god, it's wonderful neat. The best yet from Spirit of Hven. (294 bottles) 975
