

## **Box The Pioneer**

**48.1%**

Although around 3 years old, the maturity has been achieved by using smaller, 40-liter bourbon casks (65% unpeated/15% peated whisky), with the remainder coming from peated whisky matured in Swedish oak. This adds a depth of character to the nose, the peat meeting honeydew melon, vanilla, caramelized bananas, grist, malty notes, and crushed hazelnuts. Sweet toffee apple, citrus, flapjacks, crackling spices, and barley grains play over a swelling, creamy smokiness. Simply stunning, considering its age. 837 SEK
