

Box The Challenger

48.2%

One part whisky from 40-liter sherry casks, using peated and unpeated batches, to three parts peated whisky aged in regular bourbon casks. Damp peat smoke, mint toffees, and a savory note on the nose, with a distinct mintiness continuing on the palate. A hot, smoky core is chaperoned with flavors of dry banana, vanilla essence, and white plums, developing a late creamy texture and a fresh minty finish. Surely, this will be approved by dentists everywhere? 837 SEK
