

**Hart Brothers (distilled  
at Glen Grant) 22 year  
old**

**51.1%**

A welcome return for Hart Brothers. This Glen Grant is light, clean, and penetrating, with lots of gooseberry, melon, basil, and cut grass. This turns into an intriguing note of concentrated fruits; think yellow wine gums and fresh William pear. The palate has classic Glen Grant purity, with a hint of tropical fruits. Water adds another graceful layer on top, making the effect more like a rose garden...one which you keep returning to. Excellent. £66
