

Glen Scotia Heavily Peated 10 year old 50%

Higher in strength than the standard Glen Scotia 10 year old, this heavily peated expression is part of the distillery's Legends of Scotia series, and celebrates Campbeltown's historic Picture House. Just 6,000 bottles. Fruity peat on the nose, with lots of apricot and peach notes. Finally, fresh cigarette ash. Voluptuous in the mouth, and fruity, then sweet spice and drier peat notes develop. The finish is medium to long, with spicy tar. €70
