

**The Antiquary 21 year old**

**43%**

Consummately blended from more than 30 different whiskies, this has chewy Highland toffee, freshly-baked banana muffins, shelled walnuts, and faint chocolate orange notes. A smooth, full mouthful of blossoming orange, thick malt, heather honey, dabs of espresso, and milk chocolate. The malty Horlicks flavors prevail to the end with some attractive, shimmering spices. Note the higher strength here, though the 45% malt content is consistent across the range.
