

Grand Macnish Six Cask Edition

40%

Playing on regional styles, this blends six single malts representative of the Speyside, Islay, Lowland, Campbeltown, Islands, and Highland whisky regions. Sun-dried peats greet the nose with aromas of stewed apples, flaky pastries, apricot conserve, vanilla, and cinnamon.

Creamy vanilla and coconut flavors develop, with a slow-burn spiciness crackling in the center of the tongue. Seville orange and caramel cookie flavors escort a long finish of dry, tingling spices, though it could use a little more heft in the mouthfeel.
