

Low Gap 2 year old Rye

44.1%

A malted rye whiskey, aged in new, bourbon, and Germain-Robin cognac barrels. Cereal grains are the star of this nose, which supports the rye grain with oak and cinnamon spice. The palate follows the grain-focused nose and is a carefully crafted love note to rye grain, featuring multi-grain cereal, cinnamon, ginger, sawdust, and a touch of oak. The finish is all dark chocolate, rye grain, and cinnamon spice; a delicious, close to expertly-crafted whiskey.
