

Highspire Pure Rye

40%

Made from 100% rye, but aged in wine casks. Distinctly pink tinge: rosé whiskey. Very young nose: rye grain, Starburst candies, and feinty vegetable notes along with the wine-oak. Thin, dry, reminiscent of a dry hay barn: dusty grain, warm wood planks, a bit medicinal. Aged 130 days, and tastes like it. Growing up in Pennsylvania, Highspire was a town we stayed out of. Good advice.
