

Crown Royal Northern Harvest Rye

45%

A blend of 95% rye-grain flavoring
whisky with a variety of base
whiskies. Its big whisky cocktails
will tempt mixers into sipping.
Very fruity and floral, with prunes,
peaches, red apple skins, and
bouquets of spring flowers all
boosted by vibrant peppery spices
on a slightly oaky base. Crown
Royal's signature balsam resin
note and hints of vanilla round it
out. The long, spicy finish ends
with hints of citrus pith. A
complex, tightly woven blend.
