

Crown Royal Northern Harvest Rye

45%

A blend of 95% rye-grain flavoring whisky with a variety of base whiskies. Its big whisky cocktails will tempt mixers into sipping. Very fruity and floral, with prunes, peaches, red apple skins, and bouquets of spring flowers all boosted by vibrant peppery spices on a slightly oaky base. Crown Royal's signature balsam resin note and hints of vanilla round it out. The long, spicy finish ends with hints of citrus pith. A complex, tightly woven blend.
