

**Canadian Club Classic
12 (batch C12-014)**

40%

Since Canadian Club refined its batching process, this 12 year old whisky has begun to show pleasing differences among batches. And though a batch is exactly that, a batch, bottling codes reveal that different bottle sizes of a single batch can be filled weeks apart. Caramel, dark fruits, and luscious sweetness jump out of the glass to fill the room. Behind that, the classic Canadian Club pruniness, butterscotch, and hot pepper ride on a wagonload of dried oak timber.
