

## Pendleton

40%

A U.S.-only Canadian blend, bottled in Oregon. Rich toffee and caramel aroma with cashews and some dry cocoa. An easy entry, with sweet, light, but coating caramel, a keening note of young blending whisky, some cedar shavings, and a sweet finish that manages not to cling. Simple and sweet, practically pining for a bubbly mixer, but not bad for dessert, either. Quite typical of the category.
