

**The Exclusive Malts 13  
year old 2002 (cask  
#20021)**

**54.2%**

This 13 year old malt from central Ireland is an uncommon foray into the Irish whiskey space for the Exclusive Malts Collection. Pure malt is the focus of the nose which supports that malt with tart green apple. On the palate this whiskey is a stunning mix of lush, sweet honey, salt, malt, green apple, and ginger spice. The balance and integration are nothing short of perfect. A long malty finish caps off one of the best Irish whiskeys I've had. (*U.S. only*)
