

## Glory Irish Poitín

40%

Styled as the Original Moonshine, these aromas whisper of sweet summer fruits, golden barley, and potato farls. There is no lightning bolt of alcohol sipping at 40% ABV, but it is smooth and pleasantly tasty; flavors of melon, apple, and sugared biscuits, finishing with a barley tickle around the gums. A versatile addition to your cocktail armory from West Cork Distillers of Skibbereen, but I found it lost much of its appeal poured over ice.
