

Authentic Whisky Alsace Double Fût #2

40%

Meaning double cask, this was designed as an easy-drinking, summer style of Alsatian whisky created from a balanced proportion of two casks finished separately in local Riesling and Gewürztraminer barrels. The nose is light and crisp, with peach, pear, lime zest, grapefruit, gooseberry, and rose-flavored Turkish delight.

A sweet, velutinous palate, sufficiently weighted with grapefruit and lime. A little malted barley pokes through the gooseberry. Quite distinctive, which counts in today's market. €45
