

Mackillop's Choice (distilled at Caol Ila)

26 year old, 1979 vintage, 43%

Mature and gentle, when compared to the 1990 expression above. If the flavors of the 1990

Caol Ila reviewed above are nakedly exposed, then this Caol Ila is wearing a winter coat. The same flavor notes are there, but they're less noticeable. Pleasingly salty, gently drying finish.
