

Oban Little Bay

43%

Finally, an unimpeachable counterpoint to the rally cry against no age statement whisky. Oban Little Bay is everything that Oban 14 is, and more. A rich, fruity, malty nose showcases dried apricot, dark chocolate, and salt. On the palate, Little Bay explodes with flavor, combining malt with orange, chocolate, and blackberry. Clove and oak spice join the party in the mid-palate, which shows superb balance and integration. A long, slightly dry, citrusy spice finish caps off a stunning whisky.
