	old (Diageo Special	
	Release 2015)	
	53.9% Matured in refill European oak	
	sherry butts, this year's Special	
	Release has more weight than	
	many previous expressions and a	
	fascinating smokiness that comes	
	across like a just-lit fire: fire lighter, burning paper, fire grate,	
	and wood smoke. The more active	
	oak adds walnut skin notes and	
	rich dried fruits before the smoke	
	returns. All very sophisticated with	
	enough sweetness to balance. Excellent, but, ouch, that price!
