

## **Tomatin Cù Bòcan The Bourbon Edition**

**46%**

This is the third in a trilogy of limited releases from Tomatin, featuring the different cask types used to mature components of the standard, lightly peated Cù Bòcan variant. It follows Sherry Edition and Virgin Oak expressions. Initially, crisp green apples on the nose, then developing vanilla and caramel. Sweet, smoky apple and cinnamon. Soft and sweet on the early palate, with quite dry smoke evolving along with dark spices. Licorice and aniseed in the finish, with a citric tang. £50

—Vol. 24, #4
