

The Deveron 12 year old

40%

John Dewar & Sons Ltd has released a 12 year old bottling from its Macduff distillery, formerly marketed as Glen Deveron, but now simply known as the Deveron. Soft, sweet, and fruity on the nose, with vanilla, ginger, ripe peaches, and apple blossom. Medium-bodied, gently spicy, with butterscotch and Brazil nuts before a hint of licorice kicks in. Quite dry spicy oak in the finish, with a contrasting note of caramel. £40
