

Royal Salute The Eternal Reserve

40%

Let me introduce you to infinity blending. 88 casks were blended and married in 88 casks for 6 months, then blended with another 88 casks. Half is bottled, and half retained at Strathisla's Royal Salute vault for the next batch. The process is as fascinating as the whisky.

Caramel, toffee, green apple, Jaffa orange, and vanilla pod aromas.

Dark sweetness, fresh orange accents: polished, juicy, and thirst quenching, though the brilliance lies in the amaranthine finish.
