Glentauchers distillery is another Chivas Brothers workhorse located deep in the Speyside countryside. Through the aromas of honey, caramel, and vanilla peek barley stalks, hard pears, and hints of Cadbury buttons. The flavor opens sweet, with red berries and Parma violets. Although this is intended to follow a lighter style, it's very flavorsome, with creamy vanilla, poached pear, and dried apple. A juicy finish with fruitiness oozing from the cheeks.
