

**That Boutique-y Whisky
Company Blended Malt
#2 (batch 1)**

48.3%

These Boutique-y blends are delivering terrifically good whiskies time after time, but the small batches sell through quickly now that the word is out. This one has plums, apple, mixed peel, spices, walnut, and sherry notes. The palate is fizzy, with plummy depths, chocolate shavings, ginger biscuits, and dark fruits with a medium-weight mouthfeel. This can go toe-to-toe with the best of 'em. Once the ginger settles down it leaves a pleasing, mild maltiness. Add water if you must.
