

**Michter's Toasted  
Barrel Finish Bourbon  
(Batch 15H664)**

**45.7%**

Smells like bourbon—corn, a bit of cinnamon, oak—but there's something else: a touch of doughy sweetness, a note of straight wood, a twist. Light and pleasant, with enough heat to keep it respectable (and likely alive in a cocktail); all the usual suspects are here, but without the heavier oak character. Afternoon bourbon.
