

Sazerac Rye 18 year old

45%

A benchmark rye whiskey, which has been stored in stainless steel tanks the past several years to prevent excessive aging while new batches mature. This is the last of the “tanked” stock. Soft and teasing for a rye whiskey, but perfectly balanced. Gentle toffee and molasses provide a foundation for interwoven clove, mint, and cinnamon. Delicately dry, lingering finish. Buffalo Trace Antique Collection 2015 Release.
