

Cody Road Single Barrel Bourbon

52.5%

A wheater, 70/20/10 corn/wheat/malt, barrel proof, and 32 months old. A rich corn nose, with some wood notes and a slightly antiseptic sting of alcohol heat. Young in the mouth—cinnamon candy, a bit meaty—but all the right pieces are in place: warmth, corn, oak spice, and a smooth progression to the warm finish. Good already, and showing even more promise.
