

Cragganmore 10 year old

60.1%

Very dry, fragrant and spicy. Medium bodied, but firm. Initial, flirtatious notes of honey, creamy caramel and oatcakes quickly become dry and arid, with a foundation of leather and oak shavings. The whisky is peppered throughout with notes of anise, coffee, dried herbs and undertones of Madeira. Very forward and bullishly dry for its age, and more intense than the standard Cragganmore bottling. It's rare for a whisky this young to be so complex.

—Vol. 14, #1
