Innovation is key at Windsor's Corby Distillers. Though best known for its Wiser's range, Corby also makes this juicy new four-grain beauty. Big and firm on the palate, G&W glides into a buttery corn-whisky slather flooded with delicate rye flowers, nutty dusty barley, and soft, sweet wheat notes. Want the list? Crisp clean oak, citrus pith, stewed fruits, meadow flowers, and brisk pepper with mildly pulling tannins.
