

Midleton Very Rare

2015

40%

Master distiller Brian Nation is really getting into his stride now. This vintage has creamed coconut,

Jersey milk, vanilla desserts, crystallized jellies, fresh orange peel, and dry spices. To drink it is to celebrate American oak; creamy, golden, polished, with peach, honey, sherbet, sugars, butter frosting, sponge cupcakes, almond biscuits, and Quaker oatmeal squares. Spices are reactivated at the swallow. You have a whole year to enjoy this until the next one arrives. Really, there's no excuse.
