

Amrut Naarangi

50%

Amrut ingeniously flavored an *oloroso* cask with wine and orange peel for 3 years before finishing this highly innovative whisky in it. A warmth and richness exudes, the citrus intensity of peel and orange oils develops the longer you resist temptation. Dried fruits, apricot, heather, ripe mango, triple sec, with a slight mustiness.

Syrupy, soft orange pulp with zested limes makes it quite nippy.

Finish of gum and wood notes after a spicy start. Whatever you do, drink it neat. (Europe, Canada, and Asia; 900 bottles) £75
