

Hunter Rye

45%

A version of the classic Canadian Hunter from Sazerac, this is a very enjoyable whisky for sipping on ice or with a simple mixer. A dry nose is a bit closed showing soft spirit, caramel, and hints of maple. The sweet, hot, and slightly pulling palate has a grapefruit juice sharpness that keeps it fresh.

Maple syrup sweetens a hot, longish finish that has the feel of black licorice. Simple, fun whisky.
