

**Springbank Green 13
year old**

46%

This is the second 'Green' release from Springbank, denoting the use of organic barley, following on from a 12 year old in 2014. This variant has been fully matured in sherry casks and 9,000 bottles are available. White pepper, ozone, and wet sand on the early nose. Ultimately, cocoa powder, baked apple, and sultanas. The palate is initially very sweet and spicy, with salt and fruity sherry developing. The finish is medium to long, warming, with a salty tang.

—Vol. 25, #1
