

**Brora 37 year old
(Diageo Special
Releases 2015)**

50.4%

An old Special Releases favorite, this is the fourteenth such Brora bottling. Distilled in 1977 and matured in refill American oak hogsheads, it is the oldest Brora issued by Diageo to date. 2,976 bottles have been released.

Leather, ginger, and stewed fruits on the nose, with smoky, dusty aromas. Lighter and fresher than previous veteran releases, with cooking apples, cinnamon, fudge, dried grass, and light peat on the palate. Sweet notes fade, leaving earthy, savory smoke in the long finish.
