

Balblair 1990 (2nd release)

46%

The oldest of Balblair's current core bottlings was distilled in 1990, and after maturing for 21 years in bourbon casks it was transferred to *oloroso* sherry butts for a further 2 years prior to bottling. Citrus fruits, furniture polish, cloves, cinnamon, and parma violets on the nose. A silky mouthfeel, spicy, with dark berries, dates, and rich sherry. Slowly drying, with aniseed and dark chocolate in the finish.

—Vol. 25, #1
