

Glenmorangie A Midwinter Night's Dram

43%

This NAS Glenmorangie contains whisky aged in bourbon casks and some that was 'extra-matured' in Spanish *oloroso* sherry casks, as per Glenmorangie Lasanta. The result is a variant with more of a winter fireside vibe than found in Original. The nose boasts dates, plain chocolate, caramel, and Jaffa oranges. Rich and fruity in the mouth, with more oranges, plus sultanas, roasted chestnuts, cinnamon, and ginger. The finish is medium in length, fruity, gingery, and ultimately slightly bitter. £40

-Vol. 25, #1
