

Aberfeldy 16 year old 
40%

Aberfeldy distillery has added a 16 year old expression to its core range, positioned between the existing 12 and 21 year old variants. This newcomer has been finished in *oloroso* sherry casks, and the result is a pleasing if undemanding dram with a fresh, sweet, sherried nose, featuring orange, honey, and ginger. Smooth on the palate, with more oranges, marzipan, then milk chocolate and gentle spices. Nutty spice, increasingly bitter orange, and dark chocolate in the finish.
