

**Arran Smugglers'  
Series Vol. 1 The Illicit  
Stills**

**56.4%**

Illicit Stills is the first in a trilogy of limited releases reflecting Arran's distilling heritage. It includes unpeated Arran spirit, some of which has been aged in port pipes, along with amounts of medium-peated and heavily-peated whisky.

Warm and rounded on the oily nose; figs and peat, before caramel and vanilla develop.

Viscous in the mouth, with succulent orange and spicy peat.

The finish is very long and peppery, with mouth-drying tannins. £85
