

**Chivas Regal The
Chivas Brothers' Blend
12 year old
40%**

Intended to recreate the spirit of James and John Chivas, this blend uses high proportions of Longmorn and Strathisla malts. The nose has green apples, peaches in syrup, blended honey, and oat flapjacks. A soft and light opener of orange sherbet, melon, and dried apple. Dilution yields a delicious creamy texture with more assertive citrus flavors and bitter peel showing by the end. A distinctive character from the regular 12 year old, but this should be regarded as an equal. £40
