

**That Boutique-y Whisky Company Blended Whisky #1 (Batch 2)**

52%

If you like warm chocolate ganache sprinkled with cocoa beans, dark waffle cones, praline, and brisket bark, then this is for you. A brief flicker of chocolate, smoke, cherry, peppery spices, and chili flakes move aside for a smooth medley of dark fruit juiciness and sweetened char notes. The strident call of chocolate on nosing goes unreciprocated on the palate. A long, satisfying, deep finish of pounding spices. A worthy successor to the first batch. (417 bottles) £123
