

Wemyss Malts Spice

King

46%

This NAS version is a little smokier than before, with ground pepper, toasted coriander and fennel seeds, and a dusting of nutmeg.

The mouthfeel is light initially; early orange and lime flavors are extinguished quickly. Warm cocoa, malt, chocolate shavings, black cherry, raspberry bubblegum, and concentrated dark fruits

complement restrained spices and faint smoke, followed by a hot, spicy cinnamon finish. It's pretty decent, but the palate doesn't quite match up to the promise of the nose. £37
