

## Russell's Reserve 1998

**51.1%** This is the Wild Turkey limited edition bourbon we've been waiting for. Only 2,070 bottles exist. Deep amber hues and nonchill filtered, it opens up to straight-from-the-woods campfire smoke, caramel, vanilla, fresh-baked macaroon, leather, woodworking shop, and cigar box. But it's not a smoke bomb or saturated in sweet; its delicate baking spices meet hatch chile, cinnamon, hints of mint and citrus. It finishes strong and long with a lingering caramel chew.
